### **ATK Ammunition Systems to Open Headquarters Office in Utah**

**Senior Executives will be Centrally Located among the Group's Production Facilities**

**Move Will add to the 5,600 Jobs ATK Provides in Utah**

**Minneapolis, February 22, 2008** - Alliant Techsystems (NYSE: ATK) announced the relocation of its Ammunition Systems Group executive management offices to Clearfield, Utah from Anoka, Minnesota.

ATK Ammunition Systems Group is the world's largest ammunition manufacturing entity, employing over 6,000 people and generating over \$1.4 billion in annual revenue. The organization develops and supplies small and medium caliber ammunition, medium caliber gun systems, gun propellants, tactical rocket motors, and a variety of shooting and hunting accessories. Key markets served by the group include the U.S. military, law enforcement, international customers, and shooting sports enthusiasts. The group operates two of the US Government's largest ammunition and propellant manufacturing facilities, and serves the commercial market with several top brands including: Federal Premium Ammunition, Speer Ammunition and Bullets, CCI ammunition, American Eagle ammunition, Estate Cartridge, Fusion ammunition, Black Cloud ammunition, RCBS reloading equipment, Nitrex binoculars and scopes, Champion Target, Gunslick, and Outers cleaning products. ATK Ammunition Systems Group operates facilities in California, Idaho, Arizona, Missouri, Minnesota, Virginia, and Wisconsin.

"This move establishes a more centrally located headquarters for the ATK Ammunition Systems Group. The new location allows for efficient access to our production facilities around the country" said Mark DeYoung, President, ATK Ammunition Systems Group. "We're looking forward to joining the more than 5,600 ATK employees already located in Utah".

ATK is a \$4.1 billion advanced weapon and space systems company employing approximately 17,000 people in 21 states. News and information can be found on the Internet at [www.atk.com](http://www.atk.com).
